

Enrichment II to Class 4 – Themed Baskets

- PARTICIPATION (10 pts) – calculated (counts if family gave to a different child's project)
- TIMELINESS (5 pts)
 - 1 point – theme requested and approved within 3 days of launch on October 1
 - 4 points – turned in by deadline on November 10 with all completed paperwork
 - Half-point deduction if 1 portion of paperwork is late by 1 day
 - 1-point deduction for each day late
 - If an item is in the mail, a receipt of the order will be accepted along with a printed voucher representing the item, to be swapped when actual item arrives.
- RULE COMPLIANCE (5 pts)
 - If an exception is granted (by Head Coach) that rule may be overridden for that class and will not count against the score.
 - 1-point deduction for breaking a rule
 - 3-point deduction for breaking 2 rules
 - No points if 3 or more rules are broken
- CREATIVITY/PRESENTATION (20 pts) – judged by an anonymous panel of Regent supporters with no immediate relation to current students at Regent
- DEMAND (20 pts) – how many unique bidders bid on the basket calculated as follows:
 - 2 pts for every unique bidder, category cannot exceed 20 pts total.
 - Prorated if basket is sold in different packages.
 - Packages used as prizes will be given appropriate score in lieu of # of bidders
 - Extra credit applying to this category only
 - 2 extra credit points will be awarded if used for premier section – up to 4 points if basket splits into two premier packages
 - 5 extra credit points for live auction
- DESIRABILITY/VALUE RETENTION (20 pts) – calculated by % of value sold
 - If it sells for 100% of its value, that equals 10 pts.
 - Twice the value or higher gets the full 20 points in that category, etc.
 - Bidding begins between 50-75% of value determined by Auction Coordinator with approval from Auction Prep Master
 - Priceless experience values will be estimated by fair market value/comps from other auctions
- VALUE (20 pts) – based on \$ made for the school through sale price at the event, calculated on a points system. Will be averaged if sold as more than one basket.
 - 10 points for meeting the minimum value of \$250
 - Additional half point for every \$100 of value up to 20 points
 - Anything beyond half points will only be used to break a tie
- TIE BREAKERS – In the case of a tie, it will be broken in the following way. If the first tie breaker doesn't break the tie, we will use the next method listed
 1. Highest value
 2. Total number of bids
 3. Highest participation
 4. Total number of business who donated to the project
 5. Addition of \$s value from families in the class not in another class (i.e. if a family from your class also donates a \$500 Airbnb gift card that is not a part of a different class project, it helps your class in the event of a tie that can't be broken with the first 4 tie breaker categories)
 6. Creativity/presentation score
 7. Total number of participating students in the class
