Regent is a private, Christian interdenominational, College Preparatory school offering a rigorous classical and Christian education, firmly grounded in the liberal arts. True to the classical model, students are instructed through the stages of Trivium (Grammar, Logic, Rhetoric).

Established in 2000 with 60 students, Regent now serves over 525 students in Pre-K through 12.

Regent is accredited by the Association of Classical and Christian Schools (ACCS) and is a member of the Oklahoma Private School Accreditation Commission (OPSAC), the Educational Records Bureau (ERB), and the Oklahoma Secondary School Activities Association (OSSAA).

Distinctives

CLASS SIZE In all core subjects, Regent offers small class sizes. This facilitates discussion, engagement, and interaction with instructors and fellow students.

HUMANITIES CORE Literature and history classes are integrated by following a chronological study of history, ranging from Classical Antiquity to Modernity. Students interact with primary sources in both humanities classes.

WRITING INTENSIVE Throughout the curriculum students will offer critical, written response to a primary text, a great idea, a scientific theory, or even a mathematical theorem. This process of composition and revision cultivates skills of criticism and analysis and also aids the students in crafting constructive solutions. Students learn to ask “why?”, laying a foundation for engaging with many of the human challenges we face today.

SENIOR THESIS Seniors are required to compose and deliver a lengthy argument based on original research. They must then defend the thesis before a panel of faculty judges. Both the presentation and defense are open to the public.

FACULTY 10 of the 23 faculty members hold advanced degrees (MA, MS, MBA, JD, PhD).

COMMUNITY SERVICE Through Regent's affiliation with **National Beta Club**, as well as individual pursuits, students average over 100 service hours each throughout their tenure in high school.

COVID 19 Grading Policy For March through May of the 2019-20 school year, Regent moved to virtual learning and to a no harm grading policy. A student's transcript reflects the higher of the grade earned at spring break or at the semester end with distance learning work included. During the 2020-21 school year, Regent is planning for in-person school, while students have the option of doing classes from home.
