

## Information for College Admission Representatives

Our format for admission representative visits at Regent is **CONNECT 2 COLLEGE (C2C)**.

- On each date, we will host up to 8 representatives at a time.
- Up to 5 will be able to have ***4 minutes*** to present to Regent students in our library - juniors and seniors in the fall and to our sophomores and juniors in the spring.
- All 8 representatives will have a table in our atrium to visit with students.
- The presentation portion will begin at 1:40 PM and the event will conclude by 2:20 PM.
- We suggest that each representative arrive around 1:30 PM to set up their table before the presentations begin. If you are not presenting in front of students, you may arrive closer to 1:40 PM.
