

Information for College Admission Representatives

Regent is moving to a new format for college admission counselors. We will be scheduling several days when we will host 4 at the same time . . . like a mini-fair. Each representative will have 4-5 minutes to present information to our juniors and sophomores in the spring, and juniors and seniors in the fall. After the presentations, each representative will have a table in an adjoining area to visit with students.

The presentation portion will begin at 1:40pm and the event will conclude by 2:20pm. Representatives will need to arrive around 1:30pm to set up table before the presentations begin. To sign up, please go to:

Directions to Regent School of Rhetoric (high school building)

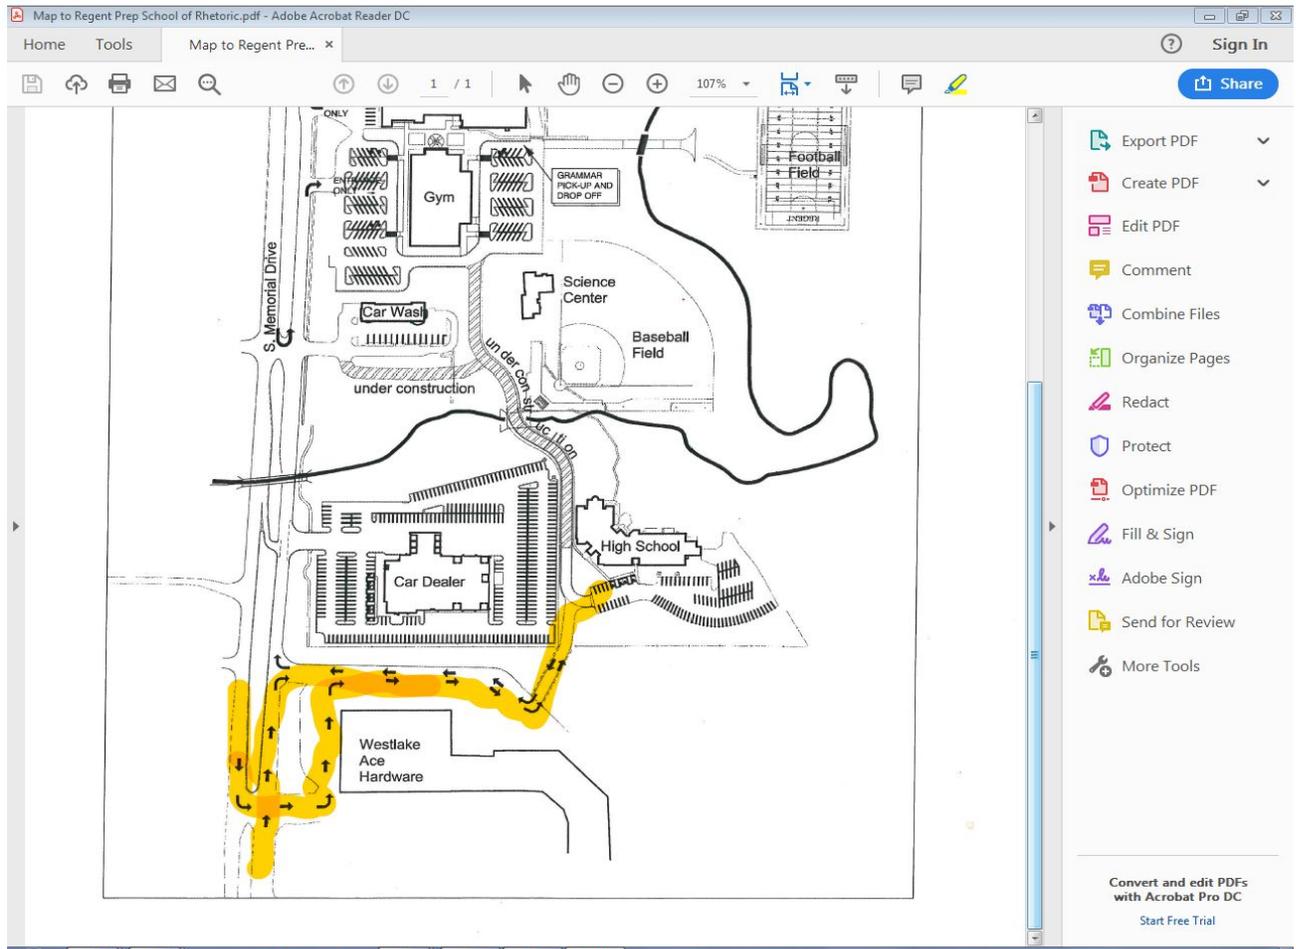

Our new high school building cannot be accessed by vehicle (at this time) from our main campus. Eventually it will have access but for the time being we must enter using a temporary road from the shopping center at the southeast corner of 91st and Memorial.

You will enter the shopping center near the Westlake Ace Hardware store.

If you are coming from the north, you can turn left into the shopping center, take an almost immediate left to travel towards the back of the hardware store and then east to the temporary road that leads to our parking lot and building.

If you are coming from the south, you can turn right into the shopping center at the entrance that is north of the hardware store and head straight behind the store and then to the temporary road that leads to our parking lot and building.

The building is behind a car dealership (Jackie Cooper Infiniti). The official address is 8835 S. Memorial Dr., Tulsa, OK 74133 but navigation may not give you accessible directions to the building.

Mrs. Ricki Jackson or Mrs. Brooke Wilson will greet you when you enter. Either Mrs. Cheryl Wassall or I will also see you while you are here. You will be setting up your table in our atrium and meeting with the students as a group in our library.

Please email Diana Drake at ddrake@rpsok.org or call 918.663.1002 ext. 612 if you have any questions.
